

Energy efficient bulbs giveaway

VANESSA Cockarill and David White (*pictured*) are part of a Gillingham town council sub committee dedicated to environmental projects called REAPinG (Renewable Power, Alternative Energy in Gillingham) who look into the various ways of reducing the carbon burden in our atmosphere. David spotted the offer of free light bulbs when he was surfing the Internet. He said: "We have secured

2040 free energy efficient CFL bulbs from nPower. We will distribute them to the people of Gillingham who qualify by receiving one or more of the benefits listed."

Council Tax Benefit; Housing Benefit; Income Support; Jobseekers Allowance; Working Tax Credit; Child tax Credit; Pension credit; Disability living allowance; Industrial Injuries Pension; War Disability Pension.

To obtain four free light bulbs, visit the Town Hall, School Road, Gillingham this Saturday morning 20th March 9.30am-1pm, bringing proof of eligibility. Mr White said: "The light bulbs have many benefits from saving 80% on the cost of the power to illuminate them to a better deal for the environment due to the materials used in their manufacture and they last a lot longer."
