Jo Davies Secretary  
DART  
Huish House  
Winterborne Zelston  
DT11 9ES

Dear Ms Davies

**APPLICATION NO 2/2003/0765.**

**DEVELOPMENT:** Erect 9 No. 105m high wind turbine generators, 1 65m high anemometry mast, substation and associated infrastructure, modify vehicular access.  
**LOCATION:** Part of Bushes Farm, Riverside Farm and Tomson Farm, ANDERSON and WINTERBORNE ZELSTON.

I refer to the planning application submitted to North Dorset District Council in respect of the above proposal.

I thought you would wish to know that at its meeting earlier today the Council's Planning Board gave consideration to this matter. The Board resolved that North Dorset District Council be advised that there are grave concerns in relation to noise and visual impact of the development upon the Purbeck District Council area. The nature of these concerns is outlined in the attached report. In particular the Board did not consider that planning permission ought to be granted given the inadequacies of the Environmental Statement.

Yours sincerely

A K Bird  
Senior Planning Officer
